¹ A **shoat** is a weanling pig, that is, a pig that has just been weaned.

² A **demijohn** is a container for fluids used in brewing

³ A **hogshead** is a large cask of liquid (or, less often, of a food commodity). More specifically, it refers to a specified volume, measured in either Imperial units or U.S. customary units, primarily applied to alcoholic beverages such as wine, ale, or cider.
